NEWS REELS

ISPOR UNN executives are trying so hard & doing everything possible to facilitate the excursion to BION Resources next week. It's taking more efforts than it should due to the incessant Sit-at-home days & the mid semester tests. You'll be updated with all the details soon.

ISPOR International intends to hold Signal 5, a yearly event with the theme for this year's; Venture Capital investment: Upstream Decision making on value in Healthcare. Venue: Virtual Date: 26th October, 11am-12pm Link: <https://www.ispor.org/conferences-education/conferences/upcomingconferences/signal-series/signal-2021-05>

ISPOR actually gives awards and grants to eligible and exceptional members to come over for their physical conferences. (Do you actually remember that ISPOR is an international organization?)

GOSSIP

Our newly wedded wife,

Favour has travelled all the way to the North to visit her in-laws & prove to them, that's she's everly, "**A wife material.**"

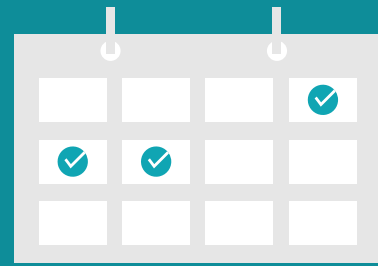

This one na inside gist! But it reached our antenna somehow. A fellow student like us, wey dey Pharmacy here in UNN just received an iPhone 13 from her personal person! I mean, the latest iPhone just released!

When some of us never use iPhone 2! **Eweeee....**

Last week Sunday, level 3 & 4 students of Pharmacy went to thank the almighty say, So Far So Good! But you needed to see slay & packaging! These people didn't go to say; Silver & gold I have not... neither were they dressed like a widow giving her mite. **Dem go be more reasons to slay ejoor!**

That third week of October na enjoyment galore!

I mean, little or no classes, no practicals, no high BP of tests & impending exams. Na that week sure pass for travels & dallying; for movies & laundry (because a lot of you didn't do any washing prior to test & during test)I no mean to be gender biased o! But ladies, wouldn't you like for **free periods like this to continue?! Hehe**

FRUIT OF THE WEEK

Cucumber

WHY?

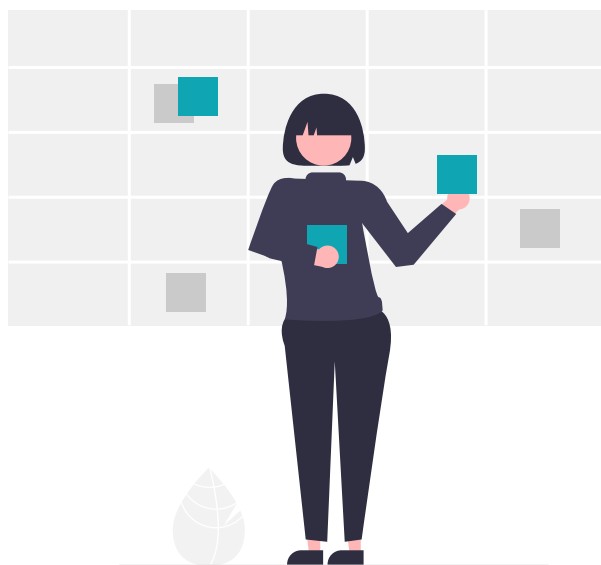

Contains antioxidants that help fight cancer.

It's 96% water therefore helps in hydrating your body! This is very necessary to maintain a healthy body glow

Our green Bobo contains Potassium, Vit K & Magnesium which helps the cardiovascular health

FUN FACTS

Cucumbers are very easy to add to our diets. Slice it over your meals and enjoy the refreshment it brings. Or chew it voraciously as it comes as a snack; you can even enhance the taste with groundnuts or nuts of your choice. Just make sure to incorporate this fruit in your diet this week!

Upcoming Events

ISPOR Quiz

They'll be **inter class quiz** competition which will be facilitated with the aid of the different subgroups each & every member of ISPOR belongs to. Fear not! For this is not a random activity with little or no Prize attached. This, my dears comes with a monetary reward at the end of it all & other juicy privileges & packages. All you need to do is confirm which subgroup you fall in & get ready. The modalities of this event will be known soon....

ISPOR Debate

Oh yes! A lot of you enjoyed our last edition of debate. So why wouldn't we bring you more of it?! There's another edition of it coming soon!...

Do you know?

This is the **first edition of ISPOR N & G?!**

It was compiled in 3 hours, na the graphics wey take more time

ISPOR is the leading academic/social/ international group in UNN presently. (I dey beat my chest for this)

Riddle!!

What kind of dress can never be worn??
(Answer & stand a chance to win a prize)

My people, appreciate & enjoy this 1st edition because e no
easy! And other editions go dey better dey go!
Celebrate Grace!
