ISPOR BION EXCURSION

The ISPOR UNN's long awaited BION Excursion has come and gone! The journey to & fro Okigwe was smooth and the attendees definitely got value for their fees and time!

You want to travel to America right? And you want to bulk up your resumé right? Then rejoice! Because ISPOR has an upcoming event at Washington DC, which will be held physically and not virtually this time. Registration starts in December. Remember, ISPOR offers travel grants when certain criteria are met. <https://www.ispor.org/conferences-education/conferences/upcoming-conferences>

ISPOR UNN QUIZ

Remember the ISPOR UNN Quiz that was an upcoming event from the last edition? It held and our winners were gotten! Attached below is a picture of the finalists. ISPOR says and does!

GOSSIP

DRESS CODE

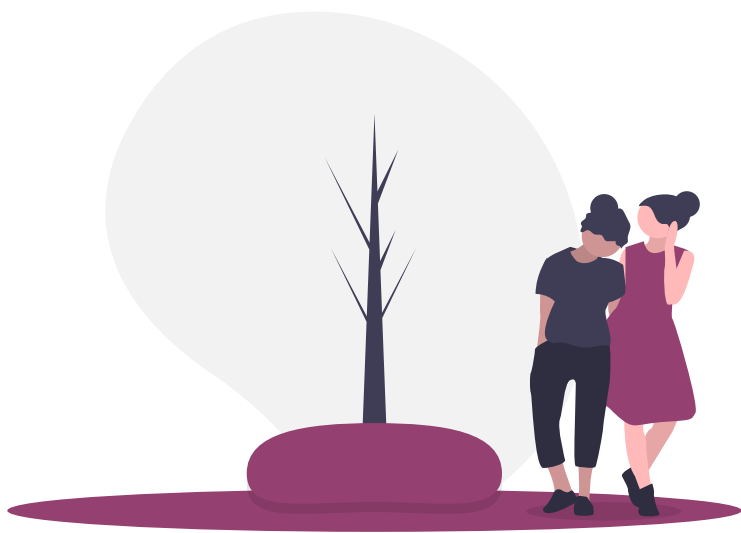

Popularity draws the attention of people to something that was existent but sublime. Na on top the trending matter of dressing & behaviour our faculty come pitch their tent. The info we hear be say, the faculty wants to give visual examples of the acceptable dress code for the students. How dem go achieve am? Simple!; Modeling pictures of

students who are acceptably dressed. Emphasis for that ? acceptably? abeg. But the catch be say pesin go pay to get featured. Shoo! Pay on top my decency?

This no be rocket science but all the same, we say make we remind you! As you dey count down to exams, some people dey count down to their marriages for this ending 2021 we dey. No be prophecy o, but they'll be an outpouring of marriages from now till Christmas ends.

You see this our ISPOR UNN president, Isp Onuorah Ikechukwu, he's gentle but firm. He no dey condone complacency at all. Even ordinary do me I do you, he no dey gree. How we take know? This one na hidden gist! Na yarn for later.

GOSSIP

REMINDER

Just a subtle reminder that when the going was better and Nigeria never kolo too much, na now be the best time to buy beans, crayfish and groundnut oil in large quantities. If you wan buy Christmas clothes by this time or sew new clothes, you come late. But you still fit bargain well & get a good deal.

Wait...you think because you're studying pharmacy or an allied course that you're too young & focused to be found? Abegii, position yourself well make this prophecy no waste for your head.

But na that time oo!

Honestly, unless a Christmas miracle happens, the prices of these condiments are still inflated. The problem be say, till when? E be like there's no right timing for Nigerian market anymore. Na anytime you carry money, abeg just buy wetin you fit buy.

FRUIT OF THE WEEK

Tomatoes

WHY?

Contains an essential antioxidant called lycopene, which helps fight against heart diseases and cancer.

These ladies in red contain Coumaric & Chlorogenic acids that help minimize damages caused by smoking cigarettes.

Tomatoes are a great way to boost your immunity since they contain Vitamins like C&K which are essential for immune system fortification.

For the skin care Mamas! Tomatoes add suppleness and glow to your skins when eaten regularly.

FUN FACTS

Tomatoes can be easily incorporated into your diets.
